Sponsorship Opportunities

Our Conference

Join us at the 30th Biennial Technical Conference hosted by the National Association of Animal Breeders, happening from September 16-18, 2026, at The Madison Marriott South in Madison, Wisconsin.

This premier event gathers over 200 industry professionals for three days of insightful discussions, breakout sessions, and panel presentations. Engage with leading researchers, technical experts, and veterinary professionals from across the artificial insemination (AI) sector.

Your Opportunity

Agenda

Our conference agenda covers a spectrum of topics, from A.I. center management strategies to higher-level industry insights, culminating in scientific and technical presentations. Please find the tentative program attached for further details. Building on the success of our previous workshops, we're excited to offer four specialized sessions this year. Interested in leading one?

Sponsorship opportunities

Your support as a sponsor is integral to our ability to deliver a top-tier event while keeping costs manageable for attendees. This year, we've streamlined our sponsorship options, combining exhibition space with sponsorships for added convenience and exposure. Below is a summary of the various sponsorship options along with the exhibit space and number of free included registrations
